THE #8330 BOBBIN ADVANTAGE

- 100% High Tenacity Filament Polyester
- Runs all the way to the core.
- State of the art winding creates superior tensioning.
- Uniform sides and core create consistency from start to finish.
- Saves over 50% compared to name brand bobbins allowing you to be more productive, competitive and profitable.

*Independent testing has shown the #8330 bobbin to outperform all other pre-wound bobbins.
#8330 bobbins run best in unaltered bobbin cases that have the backlash spring intact.*
